

A Fog-Spray Lubricating Machine

Oifog dynamic penetration fully functioned

Dental handpieces life-span extended

Oifog

TECHNICAL DATA

| Model | Oifog lubricating machine |
|------------------------|---------------------------|
| Technology | 0 bar dynamic lubrication |
| Power supply | AC100 ~ 240V 50/60Hz |
| Rated power | 50W |
| Supply pressure | 0.3 to 0.6 Mpa |
| Oil container pressure | 0 |
| Quick coupling no. | 2 |
| Oil supply volume | 5 selections |
| (S) Standard program | 20 seconds |
| Dimansion (L x W x H) | 260x260x345mm |
| Net Weight | 5.8kgs |
